**NOTES;**

Thank you for volunteering to read. I have produced dates for the year so that should you have certain dates for holidays or other reasons, this gives you plenty of time to exchange dates with another reader. Also, you will NOT be required to read when there are School Masses so watch for these dates in the parish Newsletter. Also, during Lent, Christmas and other feast days there will be a need to have more readers, especially during Lent.

The Parish thanks you for your support.
